

# Datasheet

## GT 310 Mobile Cable Drum

- High-class portable cable drum
- Robust, suitable for use in harsh environment, e.g. for outdoor applications

### Options:

- Also available as stackable version SK 310
- Protection and cable laying tube undetachable
- Auxiliary coil
- Cord wrap (precision winding of cable)
- Internal patch panel
- Harsh environment connector
- Complete cabling solution with suitable junction box

Version: 26.06.2019

Auxiliary coil

GT 310

<b>Outer dimensions</b>	Height	367 mm
	Width	310 mm
	Depth	229 mm
<b>Material</b>	Plastic	
<b>Max. cable length on the drum</b>	Cable diameter: 5 mm	190 m
	Cable diameter: 6 mm	130 m
	Cable diameter: 7 mm	90 m
<b>Drum weight (kg)</b>	Empty weight	ca. 1.8 kg
	with 130 m cable	ca. 6.1 kg
<b>Available connectors</b>	Expanded Beam Connector EuroLens (HMA) (euromicron)	
	Han® 3A (Harting)	
	TFOCA-II® (Amphenol FSI)	
	FO2 / FO4 (Fischer Connectors)	
	MTP® (US Conec)	
	Standard connector (LC, SC, E-2000® (LSH))	
	Others on request	
<b>Available fiber optic cable</b>	A-V(ZN)11Y(ZN)11Y	Ø 6.0 mm 2 / 4 fibers
	BRUtough similar to U-V(ZN)11Y	Ø5.0 – 6.5 mm 2 – 12 fibers
	BRUcast similar to U-V(ZN)11Y	Ø6.0 – 6.5 mm 2 / 4 fibers
	Others on request	
<b>Optional internal patch panel</b>	6 x SC simplex adapters	
	6 x LC duplex adapters	
	Others on request
